**Examiner's Amendment and**  
**Examiner's Statement of Reasons for Allowance**  
*Allowance*

1. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this Examiner's amendment was given in a telephone interview with Mr. Snyder.

2. The application has been amended as follows:

Claim 1, line 3, "connectable" has been replaced with -- connected --; "lines 4-5, "positionable in" has been replaced with -- positioned between --; line 7, "being movable" has been replaced with - moved --.

Claim 10, line 7-8, "positionable in" has been replaced with -- positioned between --; line 10, "being movable" has been replaced with - moved --.

Cancel claims 18-20.

3. The following is an Examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case, is the inclusion of the limitation "a bow member operably coupled to said cover, said bow member moved between a first position and a second position in response to said movement of said cover between said tensioned position and said untensioned position", and a retaining member retaining said bow member when said bow member is in said member operably coupled to said support frame, said first position and releasing said bow member when said bow member is in said second position." in the independent claim, in combination with the other recited limitations in claims supported by this application, which are not found in the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
